

Join the leading image-makers in Corporate Apparel

We have clients nationally and urgently need driven franchisees to help meet demands!

- ❖ Companies are now seeing the benefits of promoting a corporate identity – uniforms help achieve this - with the added bonus of being tax deductible!
- ❖ You can choose to start by operating from a home-base setup, then expand to a retail site.
- ❖ No weekend work required
- ❖ A perfect opportunity for husband & wife teams, or semi-retired people.
- ❖ One of the few white collar franchise opportunities suitable for women. Great for busy mums – structure your working hours so you still have time to do what's important – having a great family life.
